

# Bomaderry RSL Amateur Fishing Club

## ANNUAL REPORT

The 2009/2010 was a very successful season with a small increase in the number of Members.

The monthly fishing competitions were well attended and the Camp-outs & social activities were enjoyed by all those who attended.

Sadly, Life Member Col Mather passed away. He will be greatly missed.

The Annual Presentation Night was well attended by fishing club members & their families. We wish to thank Michael Herbert for his presentation of the Malcolm Herbert Trophy.
